Malton YO17 8HU

# Eurythmia Ensemble Tour 2023

## Revived by Voice

choral director **catherine field-leather**

This summer, like medieval minstrel troupes of old, Eurythmia Ensemble wander through some of North Yorkshire's beautiful and historic churches, breathing new life into their ancient stones: **a choral restoration**

Experience a 40 minute taster in Robin Hood's Bay, or join us in Wintringham for our evening concert. A choral feast including the works of Vaughan Williams, Gilbert and Sullivan, Sarah Quartel, Schubert...

*Churches Conservation Trust: the national charity protecting churches at risk, repairing damage from years of neglect, and working with local communities to bring them back to life.*
